Remote Openers – Those residents who currently utilize the remotes have an option to quit using them and switch to EZ Tag access. If that is your desire, please complete the next section and we will remove your remote from the system. **If we can get old/unused remotes deactivated, this will clear space in the database for more EZ Tags and phone numbers.**

I wish to have my current remotes DEACTIVATED and my remote number(s) are as follows.

I wish to KEEP my current remotes ACTIVE and my remote number(s) are as follows:

EZ Tag – If you already have an EZ Tag on your vehicle, we can use that number to automatically open the gate as you approach. Please write the identification numbers from the back of your EZ Tags (4 letters followed by 8 digits). If you would like to use this easy entry method but do not have an EZ Tag, they can be purchased from the Harris County Toll Road Authority – visit <https://www.hctra.org> for details.

EZ Tag _____ - _____ Primary driver name _____

EZ Tag _____ - _____ Primary driver name _____

EZ Tag _____ - _____ Primary driver name _____

EZ Tag _____ - _____ Primary driver name _____

Keypad Access- each household can select ONE, four digit gate code, to access the gate, if they wish. **The first number of your desired code cannot be a '0'.**

_____ Last 4 digits of home phone number _____ 4 digit desired code of your choice

Gate Directory – If you have visitors, you can open the gate remotely. Your name will be listed on the gate telephone screen via the directory. When your name is selected, the gate system will call the phone number(s) listed. To open the gate, simply press “11” on your phone. You will hear a beep indicating that the gate is opening. Please print the name you would like displayed on the telephone screen, and the phone number that should be called. Note: the number must be any US number and may be to any touch tone phone, including a cell phone.

Note: If “11” fails to open the gate, hang up and call the gate number 385-251-7370. The gate will open automatically but no conversation will be possible.

Phone number to dial (10 digits) _____ - _____ - _____

Phone number to dial (10 digits) _____ - _____ - _____

Cell Phone Access – The phones listed above may also be used to open the gate by calling the gate phone number which is 385-251-7370. The gate will recognize the caller ID and open the gate automatically. No further action is needed.
